Childcare Excellence since 1946

FAST FACTS

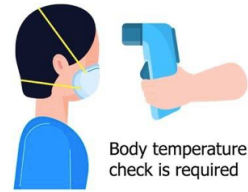

Know about COVID-19

Coronavirus (COVID-19) is an illness caused by a virus that can spread from person to person. The virus that causes COVID-19 is a new coronavirus that has spread throughout the world. COVID-19 symptoms can range from mild (or no symptoms) to severe illness. TARTTs is taking the following safety precautions in a continuing effort to protect our children and families.

Daily Temperature Checks & Masks

Using Touchless Thermometers, Children, Parents, Teachers, and Administrators are required to take their Temperature upon entry into a TARTTs facility. Any parent, child or TARTTs employee that has a temperature of 100.0 or higher will not be admitted. Masks must be worn by all adults entering the centers. While masks for children 2 and over are recommended by the CDC, they are not required.

Daily Screening Questionnaire

Parents and Staff are required to complete a Daily Screening Questionnaire. The Questionnaire is electronic and will be sent by 4AM each morning and will take seconds to complete. Questionnaires must be completed prior to arrival at center.

Classroom Drop Off

Parents are asked to drop off and pickup at the classroom door. Our goal is to minimize adult interactions with children in the classroom.

Quarantine After Travel

Governor Charlie Baker announced on Friday that effective August 1st, travelers entering Massachusetts—both out of state residents and Massachusetts residents returning home —must complete a “Massachusetts Traveler Form” and *must* quarantine for 14 days. TARTTs is requiring that all staff and families comply with the Governor’s order.

Cleanliness & Handwashing

Toys and equipment (after each use), (classroom surfaces multiple times daily) and common areas (at least 3 times daily), will be sanitized throughout the day and using child safe cleaning solutions and Ultraviolet Light sanitizing technology. Handwashing implemented throughout the day in all TARTTs classrooms.

Daily Entry

Separate entrances and exits will be used at all TARTTs centers. Lobby occupancy will not exceed 2 families at any time. There will be no visitors allowed in the centers and no tours will be conducted between 7:30AM – 5:30PM (TARTTs operating hours).

THANK YOU FOR HELPING US KEEP THE TARTTs COMMUNITY SAFE!
